Investment Authorization Standard Asset IRA-5033 June 2020
ADDITIONAL TRADING INSTRUCTIONS
Please indicate any trading instructions such as the overnight or wire service for an additional fee, etc. For mutual fund purchases at Net Asset Value, provide reason for Broker and Registered Investment Advisor NAV privilege. If mutual fund purchase qualifies for any volume discounts, include letter of intent number (LOI), breakpoint, or right of accumulation with linked fund account numbers. Pacific Premier Trust has a minimum of $25 for check amount or the investment sponsor’s required minimum for subsequent purchases. Also, designate for which transaction (if not all) the special instructions apply. Unless otherwise indicated, dividends will be reinvested.

SYSTEMATIC WITHDRAWAL INSTRUCTIONS
For systematic withdrawals (liquidations), please indicate the amount of the withdrawal and how often the withdrawal is to occur (monthly, quarterly, semi-annual or annual). If a specific day of the month is indicated, Pacific Premier Trust will request the withdrawal be processed on that date by the fund company. Please be aware that some fund companies have a specific day during the month on which they process systematic withdrawals. If the funds are for a scheduled distribution, a one-time liquidation of the amount of the requested systematic withdrawal may need to be placed as it may take up to 30 days for the systematic withdrawal to run at the fund company.

MUTUAL FUNDS
Pacific Premier Trust generally will obtain and complete the fund application (if applicable) for initial fund purchases and should receive notification of the Account Owner’s intent to purchase, liquidate or exchange holdings on this form. A sales agreement for the Account Owner’s Designated Financial Representative must be on file with the applicable fund family prior to purchasing load funds. Unless otherwise indicated, dividends will be reinvested. Faxes are not accepted for mutual fund trades.

CERTIFICATES OF DEPOSIT
Please provide the financial institution’s address and phone number under Special Instructions. CDs issued by commercial banks or savings and loans that are able to provide Pacific Premier Trust with quarterly updates of accrued interest may be purchased upon receipt of written instructions from the Account Owner or Account Owner’s designated agent. Note: Unless Pacific Premier Trust receives written instructions from the Account Owner regarding the renewal or liquidation of the Certificate of Deposit upon maturity, the Certificate of Deposit will be renewed or liquidated according to the terms applicable to the investment provided by the bank or savings and loan. Pacific Premier Trust does not allow Certificates of Deposit issued by any financial institution domiciled outside of the United States.

ANNUITIES/LIFE INSURANCE
Fixed, variable annuities and life insurance issued by commercial insurance companies will be purchased by Pacific Premier Trust upon receipt of the Investment Instructions form and application completed by the Account Owner or Account Owner’s designated agent. Pacific Premier Trust should be recorded as both the owner and beneficiary and the Account Owners should be named as the annuitant.

Pacific Premier Trust requires the account owner to countersign any page requesting an owner signature. If premiums are to be paid, billing must be received by Pacific Premier Trust no later than 10 days prior to due date. By signing this form, the Account Owner assures sufficient liquid assets are in the account to make premium payments, and indemnifies Pacific Premier Trust from any and all loss resulting from making such payment, or the failure to make payment if sufficient notice or cash is not available. Life insurance is not permitted in IRAs by the IRS. Life Insurance is a permitted investment for Qualified Plans only.
