1. ACCOUNT OWNER NAME

ACCOUNT OWNER NAME (FIRST, MI, LAST)

PACIFIC PREMIER TRUST ACCOUNT NO.

DATE OF BIRTH

I have chosen to request or am currently receiving payments from my Individual Retirement Account with Pacific Premier Trust based on the "Substantially Equal Payments Exception" stated in Internal Revenue Code section 72(t)(2)(A)(iv) and IRS Revenue Ruling 2002-62.

In consideration of Pacific Premier Trust reporting this series of distributions on Tax Form 1099-R Box 7 as a code 2 (Exception Applies),* I certify that the account referred to above is the only account being used for this payment schedule and I further indemnify Pacific Premier Trust from any liability for any tax penalties that might be associated with the requested payments should the Internal Revenue Service contest the series of substantially equal payments.

I acknowledge that once this payment series begins that I may not alter the payment schedule for the longer of 5 years (60 months) or my attainment of age 59½ (except as provided for under IRS Revenue Ruling 2002-62).

I understand that I may not add or subtract funds from the account in any way including contributions, transfers in or out and distributions from the account other than the calculated payment until after the payment period is complete.

I understand that I must have sufficient cash in my Pacific Premier Trust IRA account to fund the distribution. I also understand that a missed payment not corrected before year's end constitutes an alteration of the schedule and will terminate the exception. I acknowledge that I have consulted with my financial or tax professional concerning this request, or I have waived my right to do so.
