DISCLOSURES

The Quarterly Administration fee is billed quarterly in arrears of each quarter, or upon new account establishment.

After account establishment, charges associated with transactions, and "other charges" will be invoiced at the end of each quarter, and fees are immediately collected, per your Fee Payment Preference (FPP), if available.

The Late Payment is billed in any quarter in which any service charges are outstanding after forty-five (45) days following the end of the previous calendar quarter.

If service charges are not paid within 45 days, a \$25 Late Payment charge will be assessed and billed quarterly to the account.

The Account Owner is responsible for reporting any inaccuracy of all assessed account service charges and must report any inaccuracies within 45 days of the fee statement date.

PENSCO may charge a custodial cash fee that will be deducted from interest earned on cash balances prior to the crediting of such interest to the account owner's custodial account at the end of each month. The account is only eligible to earn interest if it is open as of the interest crediting date, and any interest that may accrue on the account during a month that the account is closed prior to the interest crediting date will be paid to PENSCO as an additional fee. The Custodial Cash Fee is charged as a percentage, as determined in the discretion of PENSCO from time to time (the "Percentage"). The Custodial Cash Fee may reduce the amount of net interest paid to the Account Owner on a monthly basis to zero or a negligible amount. The Custodial Cash Fee is not charged against the principal balance of cash held by the Account Owner in the custodial account.

PENSCO reserves the right to effect changes to this service schedule, including an increase in the maximum percentage that may be charged for Custodial Cash Fees, upon thirty (30) days prior written notice to the Account Owner, with the exception of the Custodial Cash Fee Percentage which may vary from time to time, and may be changed at any time without notice. PENSCO may reduce or waive service charges without prior notice. See both the Uninvested Cash and Billing and Fee Collection sections of your Custodial Account Agreement for more information about service charges and the Custodial Cash Fee.

Service charges will continue to accrue and be payable as long as the account is open, even if the account contains no assets from which PENSCO can collect amounts owed by the account owner.

Unfunded accounts and accounts with a zero value continue to incur administrative fees until the account is closed either by the Account Owner or by the Custodian upon resignation.

PENSCO may charge the account owner and/or the custodial account, and shall be reimbursed by the account owner or the custodial account for any reasonable expense, incurred by PENSCO in connection with any account services or activities that PENSCO determines are necessary or advisable, or which are expressly directed by the Account Owner, and which are not included in the services provided by PENSCO for its normal fees. See the Account Owner Agreement for more details.

All outstanding account service charges must be satisfied prior to the completion of an asset transfer out or an account closure.

Certain service charges in this service schedule may apply after notification of account closure. Examples include: research/special service charges, such as trailing dividends, check/wire service charges, and requests for copies of records. Service charges that remain unpaid after account closure will be subject to collections and payment according to the terms of the Account Owner Agreement.

Services Charged by a Third Party Related to Investments May Apply

Apart from services charged by PENSCO, there may be certain charges connected with the investment holdings in your account. These service charges may include, but are not limited to: foreign currency, recording, surrender, asset sponsor and reregistration.
