Loan Servicing Agreement

NOTE: You may provide your own form of Loan Servicing Agreement. If so, this form is not required.

RECITALS AND AGREEMENT

Pacific Premier Trust is the directed custodian of a retirement plan (Plan) that is beneficially owned by the Account Owner. The Account Owner has instructed Pacific Premier Trust to acquire on behalf of the Plan a note secured by a deed of trust or mortgage (Note). Pacific Premier Trust requires the Account Owner to appoint a loan servicing agent (Agent) to service this loan (separate Loan Service Agreements are required for each Note purchased by an Account Owner within his/her account.) The Account Owner appoints Agent to provide the services listed in this agreement and the Agent accepts such appointment. The Account Owner and Agent agree that the Agent is the Agent of the Account Owner, and not of Pacific Premier Trust. The Account Owner acknowledges that Pacific Premier Trust has not advised the Account Owner with respect to the selection of an Agent, and the Account Owner agrees that he/she alone, and not Pacific Premier Trust has sole responsibility for the selection, retention, termination and monitoring of the Agent. The Account Owner and the Agent agree that Pacific Premier Trust has a limited role in its capacity as directed custodian of the Plan and hereby agree that Pacific Premier Trust will not be responsible for any of the Agent's duties or for the enforcement of this agreement.

AS LOAN SERVICING AGENT, I AGREE TO:

1. Payments/Expenses. Collect and book all payments received from the borrower and other parties. Forward these payments to Pacific Premier Trust within five business days along with instructions as to how we should apply these funds to the account (i.e., principal & interest breakdown if applicable). If any disbursements are necessary, the Agent will be responsible for ensuring that invoices or payment instructions are forwarded to us for payment or paid directly from the loan servicing account. The Agent will not make any disbursement or pay any expense without the Account Owner's authorization.
2. Records. Retain records for all parties. Records include but are not limited to: payment history (funds received from the borrower and any funds dispersed by the Agent to cover expenses), bank statements, and loan documents (executed note, recorded mortgage/ deed of trust, and final title policy). Upon request the Agent will provide a full accounting of these records to the Account Owner or Pacific Premier Trust. The Agent will provide any demand statement for payoff and/or verification of payment history.
3. Default. The Agent will proceed diligently to collect any past due payments and take all necessary actions to correct a default. The Agent will act upon the request and under the direction of the Account Owner during default proceedings. The Agent will promptly notify the Account Owner and Pacific Premier Trust if the Agent is aware of any of the following: (a) default on the subject Note or senior liens; (b) if the borrower fails to maintain proper homeowner's insurance; (c) if the property is vacated or abandoned; (d) any sale, transfer, encumbrance, or assignment of the subject property; (e) the death, bankruptcy, insolvency, or other disability of the Borrower that might impair repayment of the loan; (f) any damage to the property; (g) any pending or threatened condemnation proceeding related to the property; (h) any pending or threatened litigation involving the property; (i) any lack of repair, waste, or other deterioration of the property. In the event that the deed of trust or mortgage becomes worthless, the Agent agrees to provide documentation to Account Owner and Pacific Premier Trust immediately.
4. Non-Enforcement of Rights. The Agent agrees not to waive, modify, release or consent to postponement on the part of the Borrower of any term of the Note without notice to, and prior written consent of the Account Owner, and notice to Pacific Premier Trust.
5. Insurance. The Agent will monitor and ensure that the borrower maintains adequate hazard and liability insurance on the subject property as acceptable by the Account Owner. All insurance policies will contain a standard mortgage clause in favor of, and with loss payable to, the Plan. Insurance policies will contain a provision to notify the Account Owner and Pacific Premier Trust in the event of cancellation, termination, or modification of the policy.
6. Tax Reporting. The Agent will provide, prepare and file Form 1098 (Mortgage Interest Statement) to comply with all regulatory deadlines. Any tax reporting requiring the lender's Tax ID Number will be reported using the custodian's Tax ID Number 95-3811107. In the event that the debt is cancelled, the agent will prepare and issue Form 1099(C) to the debtor.
7. Compliance with Law. The Agent will comply with all applicable federal, state, and local laws, rules, ordinances and regulations. This agreement will be governed by the laws of the state where the property is located.
8. Compensation of the Agent. As compensation for servicing the note, the Account Owner agrees to pay the Agent the following amount:

Disclosures & Acknowledgments

Account Owners may loan funds from their Plan by instructing Pacific Premier Trust to acquire promissory notes secured by deeds of trust or mortgages provided that certain administrative requirements are satisfied. (For convenience, promissory notes secured by both deeds of trust and mortgages are referred to in these documents as "Notes;" The Account Owner may also be referred to as "You and Your" and Pacific Premier Trust may be referred to as "We, Our Custodian"). Because all Pacific Premier Trust retirement plans are self-directed by the Account Owner, Pacific Premier Trust requires that its responsibilities in connection with these types of investments be strictly limited. It is important for you to understand these limitations fully and to acknowledge and agree to them prior to directing us to acquire a Note on your behalf.

agrees that we will have no liability for any losses occurring because of actions or negligence of the servicing agent. We will not be responsible for any errors and omissions in the Servicing Agreement or for any actions taken by the servicing agent.

If this investment requires payment of any kind, the Account Owner will provide written instructions.

Under the provisions of the Pacific Premier Trust plan documents, each Account Owner determines how investments in the Account Owner's account will be made. We do not provide investment advice or recommendations with respect to the investment of assets of the Plan in Notes generally, or in any loan in particular. Although Pacific Premier Trust has no such investment responsibility, it has established minimum administrative standards for Notes. These standards are intended to minimize administrative difficulties for us and in no way constitute representations by us that Notes meeting these requirements are suitable for investment by the Account Owner's Plan. Thus, by instructing Pacific Premier Trust to acquire a Note on his/her behalf, the Account Owner represents that each of the following statements is true: (a) The Note is a first or second lien; (b) The property securing the Note is real property (e.g., a primary residence, vacation home, town home, condominium, or apartment complex), personal property (e.g., a mobile home, car, equipment or aircraft); (c) Any existing loan secured by the property is not in default; (d) The property securing the Note does not contain any hazardous waste or other materials that would constitute a violation of, or cause the application of, any environmental law or regulation; (e) for mortgages/deeds of trust Title insurance insuring the Plan's Note will be obtained for the benefit of Pacific Premier Trust (as custodian); (f) The investment is not a "party in interest" transaction and therefore does not constitute a prohibited transaction as defined in Section 4975 of the Internal Revenue Code; and (g) The interest payable under the note is not usurious under applicable state law.

WHAT PACIFIC PREMIER TRUST IS NOT RESPONSIBLE FOR

The Account Owner, and not Pacific Premier Trust, will be responsible for any decision regarding the retention of a Note or any lender action to foreclose on a mortgage. Without limiting the foregoing, we will not be obligated to do any of the following: investigate the financial strength of borrower, or their ability to prepay the obligation; ensure that the mortgage or deed of trust is properly recorded; calculate or monitor the amount of any payments (including principal, interest, insurance premiums, taxes, or other amounts payable under the Note); make demands for payment; send notices of default; take any step to require the borrower to comply with any other terms of the loan documents; obtain a survey of the mortgaged property or a mortgagee's title insurance policy; ensure that hazard and liability insurance has been obtained; inspect the property securing the Note for any reason, including determining the existence of environmental hazards or violations; determine the existence of and impact of any liens, easements, covenants or other matters affecting title to the property securing the Note; have any discussions with the borrower or any other person regarding the mortgaged property; verify the status or validity of the Note, including but not limited to whether or not the collateral property has been lost to foreclosure; take any steps to acquire title to or possession of the mortgaged property or other collateral, or accept title to the mortgaged property or other collateral, whether by deed in lieu of foreclosure or otherwise.

LOAN SERVICE AGENT/SERVICING AGREEMENT REQUIREMENT

Pacific Premier Trust requires that the Account Owner appoint a servicing agent to administer the Note. Enclosed with the Deed of Trust/Mortgage/Secured Note Investment Authorization Form is a Loan Servicing Agreement ("Servicing Agreement") that satisfies our administrative needs with regard to the Note being held as an investment in the Plan. The Servicing Agreement sets forth the responsibilities of the servicing agent. We neither recommend the use of this Servicing Agreement nor require that this form be used. An Account Owner may submit his or her own form of Servicing Agreement, which we will review for purposes of determining that it adequately limits the role and responsibilities of Pacific Premier Trust.

Account Owner acknowledges that we are under no duty to investigate or inquire about the qualifications of the servicing agent he or she may select, nor is it required to monitor the actions of the servicing agent. Account Owner further

IMPORTANT: By signing the Deed of Trust/Mortgage/Secured Note Investment Authorization Form and Important Disclosures and Acknowledgements, the Account Owner represents that each of the above requirements has been satisfied. Pacific Premier Trust has no responsibility to verify that any of the above requirements has been satisfied. Even if all of the above requirements have been satisfied, we may decide for administrative feasibility purposes not to allow the Plan to purchase the Note. Satisfaction of the above requirements does not constitute an endorsement or recommendation by Pacific Premier Trust of an investment in the Note.

RISK FACTORS

When purchasing a Note secured by property, there are inherent risks. While Pacific Premier Trust points out some risks, it has no duty to do so, and this information is not to be considered all inclusive. Each Account Owner, and not Pacific Premier Trust, is solely responsible for identifying the risks associated with purchasing and holding the Note in his or her retirement plan. As such, we strongly recommend that you consult with legal counsel and/or an investment professional who is familiar with the risks of purchasing Notes secured by property in a retirement plan. By signing the Deed of Trust/Mortgage/Secured Note Investment Authorization Form and instructing us to

purchase the Note as Custodian of your retirement plan, you represent that you have consulted with such a professional, or have waived that right to do so.

In the event of a foreclosure or similar action, you represent that we may hold title to the collateral property for the benefit of your retirement plan. In such an event, you also represent that you understand there may be liability above and beyond the amount of the investment (example: ad valorem property taxes, foreclosure costs or liability arising under Environment Laws). It is also possible that you may lose your entire investment and collateral interest to a senior lien-holder.

Losses may also occur or be caused by the presence of, on or about the property securing the Note, any hazardous substances, or by any person or entity complying or failing to comply with any Environmental Law. The term "Environmental Law" means any law, rule, regulation, or ordinance relating to protection of the environment or human health. The term "Hazardous Substance" means any substance defined as hazardous or toxic, or otherwise regulated by any Environmental Law.

Losses may also occur as a result of an act of fraud or negligence.
